# ABOUT US

## OUR PROCESS

Our team is at the centre of everything we do; on every aspect of every project. We acquire, deliver and manage residential communities and employment centres from initial market research and acquisition through to marketing and sales. Each and every aspect of the project is overseen by us, enabling our desired outcomes to be achieved and results to be delivered beyond market expectations.

## OUR CAPABILITIES

The McCloy Group management team possess an unrivalled collective of experience which we apply to every project we take on. Meet our team and see for yourself how their diverse skills and expertise together facilitate a powerhouse focus that enables the full development cycle to be achieved in-house.

Our skill sets encompass every aspect of the development cycle, including:

- Feasibility modelling and market research
- Planning and approvals
- Project management and construction superintendency
- Property and commercial law, contract administration and conveyancing
- Sales, marketing and customer relationship management
- Cost control, financial reporting and management reporting

# OUR TEAM

**JEFF MCCLOY | CHAIRMAN**

Jeff grew up in Belmont and gained a degree in Civil Engineering from Newcastle University, which took him into the Sydney high-rise construction game via a brief stint with Lend Lease.

He returned to Belmont in the late 1970s to work for and eventually run D.F. McCloy, the building company founded by his father, Don. Throughout the 1980s and '90s the business delivered the John Hunter Hospital, Green Point residential development, Jewells Tavern and shopping centre, and the Mattara Hotel.

Jeff has built a reputation as a significant contributor to property development and infrastructure in the Hunter Region. In 2008, he was awarded the Hunter Business Chamber Business Person of the Year for his role in the revival of Newcastle's city centre.

In 2009, Jeff was presented with the City of Newcastle medal in honour of distinguished service to Newcastle and its citizens. Jeff was recognised as an outspoken advocate for bringing development and prosperity to the city. His generous monetary donations, and guidance and support of charities, education and welfare groups, medical research, sports teams and clubs were recognised.

**BRIAN SWAINE | MANAGING DIRECTOR**

Brian is the Managing Director of McCloy Group, responsible for the performance of the property assets and future growth across the Group. Having been at the company since 1998, Brian is an effective leader in all facets of the business. Brian is qualified with a Bachelor of Construction Management from the University of Newcastle.

**MICHELLE COLLISON | LEGAL COUNSEL**

Michelle is a qualified lawyer with a Bachelor of Laws (Hon) and a Bachelor of Science (Forensic) from the University of Newcastle. Michelle has extensive experience in property and development law having acted for private developers, resource companies, government and state owned corporations in the Hunter Valley since 2005.

**LAHNEE WATTS | MARKETING MANAGER**

Lahnee has a rich history in marketing, event management and sponsorships having worked on local, national and international campaigns. Lahnee is responsible for the strategic direction and implementation of the Group's marketing initiatives, whilst infusing new ideas into the projects. Lahnee is qualified with a Bachelor of Business (Marketing and International Business).

**SHANE BOSLEM | DEVELOPMENT DIRECTOR**

As a Development Director, Shane has over 20 years' experience in the property development industry and has worked at the McCloy Group for over 13 years. Shane's role includes site assessments and acquisitions, procurement of approvals and delivery of projects within the Hunter Region. Shane has a Bachelor of Surveying from the University of Newcastle.

**SAM ROWE | PROJECT DIRECTOR**

As a qualified town planner with tertiary qualifications in Architecture and Urban and Regional Planning, Sam has an extensive understanding of the NSW planning approval process and the various phases of development delivery. Sam has worked on a range of large residential developments across the Hunter and New England and Northern Rivers Regions.

**JADE CURREY | FINANCIAL ACCOUNTANT**

Jade is CPA accredited and qualified with a Bachelor of Management (Accounting) from the University of Newcastle. Jade's background as a tax accountant has given her a solid foundation for her key role in the Group's Finance team. Jade has been an asset to the team since she started in 2012.

**JAMES GOODE | DEVELOPMENT DIRECTOR**

As a qualified surveyor, James has a solid background in property development and construction. James has worked on a range of infrastructure, construction, urban growth and planning projects in Newcastle, Sydney and London. As Development Director, James holds a principal role in the delivery of the Group's residential communities.

**HARRY THOMSON | DEVELOPMENT MANAGER**

Harry is a qualified Landscape Architect from the University of NSW. He has also completed his graduate diploma in Property Development. He has an extensive understanding of urban and environmental design. Harry has experience working on a range of residential and public space developments across NSW.

**DYLAN CRAIG | MANAGEMENT ACCOUNTANT**

Dylan comes to McCloy Group with an Economics Degree (BSc) from the University of Southampton, UK. He has extensive experience as a Chartered Management Accountant, with a focus on commodities. Dylan is an asset to the Group's finance area, ensuring accurate reporting of cost and revenue across the Group.

**CHRISTIAN SOUTHWARD | FINANCE DIRECTOR**

Christian's experience spans many roles in the finance and IT sector from Finance Director to Senior Business Intelligence Analyst. He brings over 15 years' experience to the Group and is core to the finance and IT backbone. Christian is CPA accredited and qualified with his MBA, Master of Information Technology, and Bachelor of Commerce from the University of Newcastle.

**JEFFREY BRETAG | PLANNING DIRECTOR**

Jeffrey is responsible for procuring approvals for urban release areas and brings over 10 years' experience to the team. He has tertiary qualifications in environmental science, urban planning and bushfire planning from the Universities of Newcastle and Western Sydney. Jeffrey is an advocate for improved housing outcomes through collaborative stakeholder engagement.

**RYLAN GIBSON | DEVELOPMENT OFFICER**

Rylan has a broad range of experience having worked on residential and commercial construction sites as a sub-foreman as well as government housing initiatives. He is qualified with a Bachelor of Civil Engineering from the University of Newcastle and assists the Project Directors on residential communities and commercial property projects.

**BRYSON COX** | DEVELOPMENT OFFICER

Bryson works across a range of McCloy Group projects in the Hunter and is qualified with a Bachelor of Honours in Construction Management from the University of Newcastle. His experience in multi-storey residential projects throughout the Hunter has given him a strong grounding to assist Project Directors across our residential communities and commercial office divisions.

**JUDITH WALKOM** | ACCOUNTS CLERK

After successfully running her own business for many years and working as a bookkeeper, Judith joined McCloy Group as Accounts Clerk. She is responsible for managing the accounts receivable function of the business. Judith is qualified with a Certificate IV in Bookkeeping, and has been a dedicated team member since 2015.

**SHELLY ELKIN** | ACCOUNTS CLERK

Shelly has over 12 years' experience in accounts and administration within a project environment having worked in both the private and public sectors, giving her a solid foundation for her key role in the Group's finance area. Shelly has a Business Administration Certificate IV from TAFE Newcastle and her knowledge in bookkeeping and accounts payable makes her an essential part of the McCloy Group accounts team.

**RACHAEL SCOTT** | EXECUTIVE ASSISTANT

Rachael is an experienced Executive Assistant with a demonstrated history of working in fast paced, hands-on environments her previous Executive Assistant positions include Commercial Real Estate, the Not-for-Profit space, Motorcycles and Powersports. Rachael supports our chairman and is core to the daily management of the office.

Our team provide a formidable skill set to deliver projects from start to finish.

**JEFF MCCLOY**

**PENNY PLUMRIDGE** | ADMINISTRATION MANAGER

Penny brings professionalism and dedication to every aspect of her role. Penny has completed various Administration Certificates and has experience working across prominent Newcastle organisations. Her skillset in administration and business management is an asset to the team across all facets of the business.

**JENNIFER MORONEY** | LAND SALES CONSULTANT

Jennifer is a proven real estate professional with a track record of going the extra mile for future residents. She has been with the McCloy Group since 2015 and specialises in land sales within the Maitland area. With a prior background as a business owner and extensive administration experience she brings a formidable approach to McCloy Group sales.

**BRIAN POBJE** | LAND SALES CONSULTANT

Brian is an integral part of the McCloy Group sales team with experience in the real estate industry spanning over 20 years. He is both a licenced real estate agent and has completed a Diploma of Business. Having owned his own real estate company, sold off the plan and developed properties as well as a history in Project Home sales and retirement living, Brian's knowledge of the industry is an asset to the Group.

**MICK DUNDAS** | MAINTENANCE MANAGER

Mick is a qualified Greenkeeper having completed a Certificate 3 in Sports Turf Management. With over 25 years' experience in the turf industry, including 20 years as Golf Course Superintendent, his knowledge of turf and environment is extensive. Mick is core to ensuring well developed maintenance programs are put in place to ensure quality presentation at all times.

My wife and I bought a block in Eastwood because we were impressed with the family friendly atmosphere provided by the developers. Eastwood is ideal as it has a park and many of the blocks belong to young families. It's very suitable for our young family. Our experience purchasing at Eastwood was very positive.

**AARON KENNEDY** | RESIDENT OF EASTWOOD

# MCCLOY FAMILY FOUNDATION

Today more than ever building communities in which families love to live, is core to the McCloy Group. Stemming from this and a growing family of next generation philanthropists, the McCloy Family Foundation has been formed.

There are many reasons people give back to their community, for the McCloy Family their decision to form the McCloy Family Foundation was simple, to create better outcomes for the community around them.

Headed by Jeff, wife Tracey and daughters Hayley and Blake the McCloy Family Foundation reflects the family's innovative approach to communities and creating places and opportunities, especially here in the Hunter Region which will better the lives of those in the community around them.

**McCLOY Family**  
FOUNDATION

“

If you have the ability do so, why wouldn't you support your community and give to those in need. Seeing money go straight to the cause, you can't get any better than that.

# RESIDENTIAL COMMUNITIES

Spanning over six decades of experience the McCloy Group is known for our award-winning masterplanned residential communities.

We have established a strong presence throughout the Eastern Seaboard and we are proud to be associated with some of the most popular residential communities in New South Wales.

Our mission is to achieve excellence through quality and innovation. That uncompromising quality is what makes our award-winning communities stand apart from the rest. We place a strong emphasis on creating exceptional living environments through vibrant public art, aesthetic streetscapes, lively children's playgrounds, cycleways and landscaped parklands.

# BILLY'S LOOKOUT

Pitt Street, Teralba | [billyslookout.com.au](http://billyslookout.com.au)

## PROJECT PROFILE

Billy's Lookout is a unique lifestyle opportunity with prime residential land for sale in Lake Macquarie, on the doorstep of the area's natural wonderland. This lakeside haven is situated on 70 hectares of residential land within close proximity to Newcastle CBD and easy access to Sydney. Once complete this new neighbourhood will house 532 new homes with more than 1,000 residents.

Billy's Lookout is surrounded by majestic parklands, waterways and nature tracks that give the area its distinctive natural beauty. Every day brings a new pursuit with a variety of activities just minutes away; boating, fishing, bushwalking and cycling just to name a few. Weekends can be spent at the popular Redhead Beach just a 20-minute drive away.

Now selling its final stages, Billy's Lookout has become an iconic development within Lake Macquarie.

# BRUSH CREEK

Transfield Avenue, Edgeworth | [brushcreek.com.au](http://brushcreek.com.au)

## PROJECT PROFILE

Brush Creek is a joint venture with the Fisher family to produce a boutique residential living opportunity in Lake Macquarie, with highly sought after residential land for sale near Newcastle NSW.

First launched in 2018 the 21 hectare parcel of pristine land is situated in the suburban area of Edgeworth and offers 238 homesites ideally suited for all stages of life. Future residents can enjoy a relaxed lifestyle, nearby the lively café at Warners Bay, as well as having Newcastle beaches and CBD within an easy half hour drive. Brush Creek was suitably named after the creek which flows through the land and is a tribute to the floral emblem of Lake Macquarie, the bottlebrush.

Proving popular with the local market, Brush Creek is now in its final stages of development, with the community anticipated to be sold out by the close of 2022.

# DRIFTWOOD SHORES

Colia Avenue, Tuross Head | [driftwoodshores.com.au](http://driftwoodshores.com.au)

## PROJECT PROFILE

Our first community on the stunning south coast lies at Tuross Head, a boutique 10 hectare parcel of land located between Tuross Head Country Club and the picturesque waters of Colia Lake.

The new community holds an unrivalled position in Tuross Head surrounded by majestic waterways and nature tracks that give the area its distinctive natural beauty. Future residents can look forward to a lifestyle by the sea with Colia Lake to the North, Bingie Beach to the East and the stunning greens of Tuross Head Country Club to the South.

Driftwood Shores will be the ultimate in residential living on the peninsula, with homesites offering unobscured water views, privacy, and an abundance of natural beauty. It is proposed the new neighbourhood will offer an exclusive 72 residential homesites to the market towards the end of 2022.

# EASTWOOD

Invercauld Road, Lismore | [eastwoodliving.com.au](http://eastwoodliving.com.au)

## PROJECT PROFILE

Eastwood is McCloy Group's first residential community in the Northern Rivers Region. Launching in 2019, Eastwood brings a family friendly community offering to the area. It features mature street trees, quality streetscapes and statement public art pieces both at the entry and throughout the wider community. In total, Eastwood will home 336 homesites idyllically set on a 58 hectare parcel of land. The land features a brook along the eastern border and is pleasantly sheltered by nearby rises in the land.

The name is a tribute to its location in Goonellabah, to the east of Lismore and the rich timber mill history of the region.

Precinct One is nearing completion with final sales expected in 2022. Looking forward, we are excited to bring the community Two.

# HEREFORD HILL

New England Highway, Lochinvar | [hereford-hill.com.au](http://hereford-hill.com.au)

## PROJECT PROFILE

Situated in a scenic location, Hereford Hill is a new residential living opportunity in Lochinvar. The 25 hectare parcel of land off the New England Highway, will see approximately 269 new homesites created in the local community, proposed to range in size from 460 square metres to 1,800 square metres. Future residents of all stages of life can look forward to enjoying the untapped potential these residential homesites offer and an abundance of new home inspiration with a 30 home Display Village included in the site.

Hereford Hill's name ties back to its rich history in the local area as a Hereford cattle farm and how its picturesque location features rolling hills in the southern aspect of the site. 'Hill' also resonates with the prior owner's family history, so was a suitable tribute to their time on the land.

# IRONBARK RIDGE

Ironbark Road, Muswellbrook | [ironbarkliving.com.au](http://ironbarkliving.com.au)

## PROJECT PROFILE

Ironbark Ridge is the only fully serviced rural residential community in Muswellbrook. The popularity of the community is due to the mix of features on offer. The spacious acreage homesites come with fully serviced underground power and sewer whilst the large blocks feature wide frontages and elevated northerly aspects. Ironbark Ridge is also just minutes from Muswellbrook's shops, schools, parklands and other town conveniences.

Careful attention must be paid to the aesthetics and amenities of the community. The selections that characterise Ironbark Ridge are deliberate; from the entry feature selection reflective of the cattle grazing past use; to the curves in the footpath creating a pleasant 'country meander' for residents to walk; to the selection of the streetlights and placement of seating. Now in its final stages, we thank the Muswellbrook community for its warm welcome of Ironbark Ridge.

The Lakes Way, Forster

## PROJECT PROFILE

The McCloy Group welcomed Forster South to our pipeline in 2021, a secluded coastal hideaway amidst the booming area of the Mid North Coast. Spanning 48 hectares the site boasts over 550 metres of waterfront frontage on the Pipers Bay / Wallis Lake and 650 metres of convenient street frontage onto the Lakes Way. Forster South presents a unique future residential living opportunity in a highly convenient location within proximity to a Stockland Shopping Centre and all the highlights of coastal town living. This is one to watch!

# WALLALONG

Clarence Town Road, Woodville

## PROJECT PROFILE

The Wallalong project is proposed to include a mix of environmental, rural, residential, commercial, education, and recreation opportunities such as parks, playgrounds and playing fields. Located in the Port Stephens Local Government Area it is part of a broader development in the region. The Wallalong Urban Release Area is set on 630 hectares and has the opportunity to accommodate approximately 3,500 new homesites, which would alleviate significant pressure on land supply in the Lower Hunter. Over the life of the project, the local amenity would be managed through appropriate planning patterns and best practice design principles.

# THE GARDENS, 2

Brocklesby Road, Medowie

## PROJECT PROFILE

Medowie had proved a highly sought-after growth area within Port Stephens. Building on our existing community on Medowie Road, The Gardens, we are pleased to share that the site will see future expansion back to Brocklesby Road, to the rear of the current site. An additional 5.1 hectares will be added to The Gardens enabling better access to housing within the LGA. The expansion will add to the existing amenity of The Gardens, all within walking distance of the town centre and community facilities already in operation.

# WONGA BEACH

Vixies Road, Wonga Beach

## PROJECT PROFILE

Wonga Beach is a proposed residential community located in Far North Queensland, 90km north of Cairns. The boutique beachside community will comprise of 99 homesites ranging between 2,000 and 4,000 square meters in size. The nature of this site makes it unlike any other with the Great Barrier Reef bordering to the east. Large homesites offer ample opportunity for spacious family living, with plenty of room for large garages and additional storage. It will portray key elements of McCloy Communities, including a statement entry feature, public art and purpose-designed streetscapes boasting mature trees. The site is yet to be community named, which will come closer to its first release.

# EMPLOYMENT CENTRES

Our diversified portfolio of commercial assets holds more than 6,800 square meters of commercial space in the heart of Newcastle's CBD and 122 ha of industrial land and 37 ha of business park land in the Hunter region.

Projects include the iconic Telstra Civic Building and the prior Hydro Aluminium smelter at Kurri Kurri which has further expanded our profile in this space.

Past commercial projects include the development of the John Hunter Hospital, The Lucky Hotel, Mattara Hotel, Jewellstown Tavern and other buildings in Newcastle CBD such as Churchills building and the award winning City Exchange along with other commercial office space in Hunter Street.

# DINAH ISLAND

Far North Queensland

## PROJECT PROFILE

Dinah Island is at home in Far North Queensland, about 15km inland and engulfed by the Staaten River. Operating as a cattle station, the island spans 5,000 hectares of serene Australian outback and offers a country lifestyle experience. The unique parcel of land listed as a nature reserve has also become home to a variety of wildlife which thrive in the freshwater billabongs on the Island. A causeway bonds the land road with Dinah Island enabling the cattle farm to operate in and out of the property for wider supply.

Access is also available by air and water enabling multipurpose connections for supply to and from Dinah Island.

# TELSTRA CIVIC

317 Hunter Street, Newcastle

## PROJECT PROFILE

The Telstra Civic building is a 6 storey landmark commercial office development in the heart of Newcastle's business and Civic . With 6,809 square metres of lettable area on large floor plates, the building is home to the Department of Public Prosecutions (NSW State Government), several law firms and McCloy Group head office.

The highly visible location is close to all the conveniences of Darby Street, Honeysuckle, the Civic and the new Justice . In 2017, the building underwent a refurbishment including environmental upgrades to the lighting and HVAC systems, additional amenities including End of Trip facilities and an upgraded lift lobby. 2018 saw a sculpture garden incorporated into the Darby Street exterior, activating the space with public seating and an area allocated for a food and beverage outlet. At the rear of the building is multi-level secure parking with direct access to each floor.
